13 The Court ORDERS that class counsel for the Direct Purchaser
14 Plaintiffs ("DPPs") and Indirect Purchaser Plaintiffs ("IPPs"), as
15 well as liason counsel for the Direct Action Plaintiffs ("DPPs"),
16 submit very short, updated lists or tables of the parties who still
17 remain in their cases. These lists should simply state who the
18 plaintiffs and defendants are. Classes need not list all members
19 or putative members of the class. If plaintiffs make claims
20 against some defendants but not others, these lists should note
21 that distinction. The lists should also indicate which parties
22 have settled, withdrawn, or been dismissed. If parties need to
23 meet and confer to produce these lists, they should do so. Parties
24 should submit their lists no later than September 6, 2013.

26 IT IS SO ORDERED.
